this new commentary on numbers is not only the latest volume in the respected fofl series it is also the first commentary to be written using the exegetical methods of the recently redesigned form critical approach to the old testament literature rolf knierim and george coats make clear what has traditionally been a difficult portion of scripture by showing how form criticism sheds light on the text s structure genre setting and intention following an extensive introduction to the historical and social background of numbers the commentary proper leads readers unit by unit through the text highlighting the literary development of numbers and the meaning that it meant to convey to its audience

this book examines the nature and character of naval expeditionary warfare in particular in peripheral campaigns and the contribution of such campaigns to the achievement of strategic victory naval powers which can lack the massive ground forces to win in the main theatre often choose a secondary theatre accessible to them by sea and difficult for their enemies to reach by land giving the sea power and its expeditionary forces the advantage the technical term for these theatres is peripheral operations the subject of peripheral campaigns in naval expeditionary warfare is central to the british the us and the australian way of war in the past and in the future all three are reluctant to engage large land forces because of the high human and economic costs instead they rely as much as possible on sea and air power and the latter is most often in the form of carrier based aviation in order to exert pressure on their enemies they have often opened additional theaters in on

going regional and civil wars this book contains thirteen case studies by some of the foremost naval historians from the united states great britain and australia whose collected case studies examine the most important peripheral operations of the last two centuries this book will be of much interest to students of naval warfare military history strategic studies and security studies
